

6:UK Overview

Nigel Titley
Chairman 6:UK Board

- Internet Important
- IPv4 address crisis
- UK Plc not appraised of the danger
- BIS sponsorship (seed capital)

- Peter Kirstein
- Philip Sheldrake
- Nigel Titley
- Richard Yule

Problem Statement

- Not aware
- Insufficient knowledge/training
- Nowhere to turn for advice

What can we do?

- Make industry aware of the problem
- Provide guidance and training
- Provide help with procurement
- Help define templates and procedures

What can you do?

- Join 6UK
- Take advantage of our training programme
- Help define procurement templates
- Display our logo
- Help spread the word

Consequences of inaction

- UK Plc loses their edge
 - Many developing countries already have a commitment to IPv6
 - Many developed countries have IPv6 requirements build in to their procurement standards
 - Why not UK?

Next Steps of Action

- Join up now
- Display our logo
- Send your IT staff on our training courses (only half a day)
- Enable your web site and email system
- Tell your customers
